Work or celebrate next to the Neckar

The Boutique Hotel HEIDELBERG SUITES is the perfect address for meetings, seminars, product presentations, press conferences, and various events in and around the Rhein-Neckar region.

A state of the art conference room with a direct view of the famous Heidelberg Castle and Neckar River, a small lounge in the main villa as well as our garden pavilion below the Philosophers Way create the ideal requirements for meetings, business and/or private celebrations on a first class level.

The features and the modern interior of the 25 suites leave nothing to be desired. You may either decide for an exclusive in-house catering or for a short walk to the Old City to dine in a typical Heidelberg restaurant. End a successful conference and meeting day with a glass of wine or Champagne on our roof top terrace or in our hotel lounge.

Technics & Services

You can hold your meeting in our conference rooms and savor the unrestricted view of the Heidelberg Castle and the Neckar River. Both meeting rooms are equipped with modern audio-visual facilities and alternating current (220 V / 50 H z) as well as the latest telephone communication connections. All function rooms are flooded with natural lighting and can be darkened completely. Complimentary wireless broadband internet access is available throughout the entire hotel.

After our hotel guests have had their breakfast or during the evenings, our hotel lounge is readily at your disposal for smaller gatherings as well.

A conference coordinator is present at all times to avail to the organizers and the participants of the function, equally like other external partners that we may organize upon your request such as: hostesses, conference technicians, interpreters, courier service, entertainers or photographers.
